I do certify that I have let down in the above assessment roll all the real property liable to taxation situate in Barnes Ward and the true actual owner thereof in each case according to the best of my information and judgment, and also that the said assessment roll contains a true statement of the aggregate amount of the personal property, or of the taxable income of every party named on the said roll; and that I have estimated and let down in the same according to the best of my information and belief. I further certify that I have entered thereon the name of all the resident householders, tenants and freeholders, and of all other persons who are required to be entered thereon with the true amount of property occupied or owned, or of income received by each and that I have not entered the name of any person whom I do not truly believe to be a freeholder, tenant or freeholder, or the bona fide occupier or owner of the property or the receipt of the income let down opposite his name for his own use and benefit; and I further certify that according to the best of my knowledge and belief I have entered thereon the name of every person entitled to be so entered either as a land holder or as a taxpayer and that I have not intentionally omitted therefrom the name of any person whom I know or had good reason to believe ought to be entered thereon either as a land holder or as a taxpayer; and I further certify that the rate of delivery or transmitting the notice required by section 107-1 of the assessment act in every case truly and correctly stated in the said roll; and I further certify and affirm that I have not entered the name of any person at too low a rate in order to deprive such person of a vote or at too high a rate in order to give such person a vote or for any reason whatever, and that the amount for which each such person is assessed upon the said roll truly and correctly appears in the said notice delivered or transmitted to him as required.

From before me.  
Francis M. Cary
